SOUND RATING REFERENCE GUIDE

Rating	Description
IIC / STC 70	Virtually soundproof
IIC / STC 60	Superior soundproofing
IIC / STC 50	Meets International Building Code requirements
IIC / STC 40	Below most sound-control code requirements
STC 50–65	Considered professional-grade soundproofing

**THE FOUNDATION OF
QUALITY & PERFORMANCE**

WHAT MAKES IT THE BEST

Proprietary, High-Performance Formulation: A unique memory-foam blend engineered for superior resilience and long-term performance.

Perfect Density: 8.5 lbs.: Not more. Not less. Exactly right for optimum comfort, support, and carpet protection. 6% denser than ordinary 8 lb. cushions—meaning stronger support and longer carpet life.

Extreme Fine Grind Technology: Eliminates hard and soft spots for a perfectly consistent feel under every step.

High-Density, First-Quality Memory Foam: Premium materials only—no fillers, no shortcuts.

SpillSafe™ Impermeable Nylon Film: Proprietary moisture barrier protects both the cushion and the subfloor from spills and accidents.

100% Recyclable: Eco-responsible construction using non-recycled, first-quality materials.

WHEN YOU ADD IT ALL UP—NOTHING COMES CLOSE

- **Homeowners Love It:** Because it delivers real comfort, true quality, and a noticeably better feel underfoot.
- **Installers Love It:** Easy to handle, cuts clean, installs fast, and reduces waste.
- **3–5% less waste** = strong environmental benefit + lower costs
- **Universal SKU:** Compatible with any carpet from any manufacturer
- **Adds Protection & Value:**
 - Adds **10 years** of texture-retention and abrasive-wear warranty to all carpets.
 - Includes Lifetime Comfort Warranty.
- **Superior to Rubber Cushion:** Unlike rubber, it **never breaks down into powder**—long-lasting support without degradation.

SPILLSAFE IMPERMIABLE NYLON FILM

- Proprietary nylon moisture barrier
- Multi-layer protection
- Impervious to liquids
- Passes 24-hour Spill Test

**Your Carpet Investment
is Protected with SpillSafe**
